

## Fibra Inn Announces Meeting Agenda for Discussion at the Extraordinary Shareholders' Meeting

**Monterrey, Mexico, October 4, 2016** – Deutsche Bank Mexico, S.A., Banking institution, as fiduciary of Trust F/1616 or Fibra Inn (BMV: FINN13, ADR OTC: DFBRY) (“Fibra Inn” or “the Trust”), the Mexican real estate infrastructure trust specializing in the hotel industry serving the business traveler with global brands, announced the meeting agenda for the Extraordinary Shareholders’ Meeting (the “Shareholders’ Meeting” or the “Meeting”) to take place on November 11, 2016.

In this document, Fibra Inn shares the opinion of the Trust’s Technical Committee regarding the points of the Meeting Agenda that will take place at the Shareholders’ Meeting, in order to inform its investors accurately and in anticipation of the Meeting. These talking points, as well as all of the detail regarding the information that will be addressed at the Meeting may be accessed at: <http://fibrainn.mx/inversionistas/avisos-a-tenedores>

### MEETING AGENDA

**I. Proposal, discussion and submission for approval to carry out the process of internalization of the administration of the Trust, via a voluntary agreement for the early termination of the advisory contract between the Trust and Asesor de Activos Prisma, S.A.P.I. de C.V.**

This item discusses the proposal to enter into a voluntary agreement with Asesor de Activos Prisma, S.A.P.I. de C.V. (the “Advisor”) for the early termination of the advisory agreement, in exchange for monetary compensation, with the objective that, going forward, such services would be rendered internally by the Trust and its management. For this purpose, personnel currently employed by the Advisor would be transferred to Fibra Inn’s subsidiary, Administradora de Activos Fibra Inn, S.C. (“the Administrator”). The aforementioned would consider monetary payment of Ps. 143 million, to be paid to the Advisor in 4 equal installments each for the equivalent of Ps. 35.750 million plus VAT as of the following dates: January 20, 2017; April 20, 2017; July 20, 2017 and October 20, 2017.

Additionally, the proposal includes Fibra Inn assuming the Advisor role in development of “Hotel Factory” projects; as personnel would become employees of the Fibra, via the subsidiary (Administradora de Activos Fibra Inn, S.C) and consequently, the fees charged for each project would be in favor of Fibra Inn. Therefore, the proposal considers an additional monetary compensation for Ps. 50 million derived from the Trust acquiring the gains from the Hotel Factory. Payment is proposed to be made in one tranche, on January 4, 2018, as long as the agreements with third-party investors are signed by December 31, 2017 and that these agreements are equivalent to Ps. 1,890 million or 70% of the above-mentioned pipeline for Ps. 2.7 billion. In the event that at December 31, 2017 the agreements are signed for lower than 70%, payment will be in proportion to the base. The difference will be paid following the same mechanism on the following year. If the objective is not yet reached, then there will be one last payment made a year later with the remaining part that is reached at that later date.
