

Fibra Inn Finalizes Sale of Holiday Inn & Suites Guadalajara Centro Histórico Hotel

Monterrey, Mexico, September 12, 2019 – Deutsche Bank Mexico, S.A., Banking institution, Trust Division F/1616 or Fibra Inn (BMV: FINN13, ADR OTC: DFBRY) (“Fibra Inn” or “the Company”), a Mexican real estate investment trust internally managed and specialized in the hotel industry serving the business traveler with global brands, announced today that it has finalized the sale of the Holiday Inn & Suites Guadalajara Centro Histórico hotel, as part of its capital recycling program of divesting non-strategic assets. Effective today, this property will no longer form part of Fibra Inn’s portfolio.

The payment received totaled Ps. 99 million plus VAT; these funds were allocated towards more profitable projects, including the repurchase and cancellation of certificates, as well as investments in hotel portfolio.

“The sale of this property gives continuity to our capital recycling strategy, which seeks assets with greater barriers of entry and higher profitability levels within the luxury segment. These resources will be used to finance renovations at existing hotels, for projects within the hotel factory and for the CBFi repurchase program,” stated Oscar Calvillo, Chief Executive Officer.
