

# Fibra Inn Announces the Divestment of an Asset in Chihuahua, Chihuahua

**Monterrey, Mexico, June 30, 2026** – Banco Multiva, S.A., Institución de Banca Múltiple, Grupo Financiero Multiva, in its capacity as trustee of the Irrevocable Trust DB/1616 (BMV: FINN13) (“Fibra Inn” or the “Issuing Trust”), the internally managed Mexican hotel real estate investment trust (FIBRA) specialized in serving travelers through international brands, announces the divestment of an asset in Chihuahua, Chihuahua.

As a result of this transaction, Fibra Inn will receive a total of 64.0 million pesos, plus VAT, while retaining title to the asset until the full agreed purchase price has been paid. The proceeds from the transaction will be allocated to projects with more attractive return profiles, including investments in assets within the existing portfolio.

## About the Company

Fibra Inn is a Mexican trust formed primarily to acquire, develop, and rent hotel properties in Mexico. Fibra Inn is internally managed through its subsidiary, therefore it does not charge any asset management services fees. Fibra Inn has entered into franchise, license, and brand usage agreements with international hotel chains to operate their global brands; it also has domestic-brand properties. These brands have some of the hotel industry's top loyalty programs. Fibra Inn trades its Real Estate Investment Trust Certificates (Certificados Bursátiles Fiduciarios Inmobiliarios or "CBFIs") on the Mexican Stock Exchange under the ticker symbol "FINN13."

## Note on Forward-Looking Statements

This press release may contain forward-looking statements. These are not historical facts but are based on management's current view and estimates of future economic circumstances, industry conditions, Company performance, and financial results. Also, certain reclassifications have been made to make figures comparable for the periods. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the Company, are intended to identify forward-looking statements.
